Fruit of the Month: Joy

Key Passages: Romans 14:17; Philippians 4:4-9; 2 Samuel 6: Luke 12:13-21

Mar 8– Why Joy?

- How do you think the world defines joy?
- What does joy in the Bible look like?
- Is it possible to have joy even when you aren't happy or things aren't going your way?
- Why is joy important to the life of a Christ follower?

Mar 15– Biblical Example– David

- What was David so excited about in 2 Sam. 6?
- David was so filled with joy by the return of God's ark in 2 Sam. 6 that he celebrated in such a way that it embarrassed his wife. Do we have a type of joy in God that overcomes what others think of us?

Mar 22– Disease that rots joy– covetousness

- How would you define covetousness?
- How could joy be rotted away by desiring what you don't have?
- Are there things that you find yourself coveting? Don't just get stuck on physical/monetary things here.
